

Chapter Meeting/ Membership Night

Our first meeting of 2009 was on 4 March and it was hosted by the USAF Academy housing folks. The meeting was held in one of the new privatized homes and dinner was served by Famous Dave's Bar-B-Que. It was unanimously voted on to retain all current officers for another two years. President: Doug Lobdell; Vice President: Blane Pshigoda; Treasurer: Kelly Sieber; and Secretary: Donna Saldana. It was also determined that over \$3,000 had been raised during the PHMA Hospitality Night in San Diego. Some of those donations were made by corporate sponsors. A date and time will be obtained to present the check to the local Fort Carson Wounded Warriors Association. Also note, our local chapter membership numbers may increase with the addition of FE Warren WY and Nellis AFB NV housing personnel.
